Walls	m^2	96	$10.00	$960.00
Curtain Box / Valance	ml	50	$15.00	$750.00
Grand Total				**$6,942.00**

Notes and Quote Terms:

1. **Estimated Execution Time:**
The estimated timeframe for executing the described activities is 30 calendar days, starting from the start date agreed upon by both parties. This period may vary due to external conditions, project modifications, or delays in material supply.

2. **Payment Terms:**
Payment shall be made as follows:
   - 25% at project kickoff for scheduling and activity preparation.
   - 50% during work progress, upon reaching approximately half completion.
   - 25% upon completion of all activities and final project delivery.

3. **Scope of the Quote:**
The prices presented in this quote correspond solely to labor for the activities described in the table. Materials, transportation of materials, or any other element not specified are not included unless explicitly stated.

4. **Administrative & Quote Processing Fee:**
A separate $20 USD fee is charged for preparing this quotation, including market research and price analysis.

5. **Additional Work:**
Any modification, additional work, or activity not originally contemplated in this quote may require adjustments to the budget and execution timeframe, which will be communicated in advance for approval.
